Installation instruction Instructions de montage

Installation instruction Instructions de montage

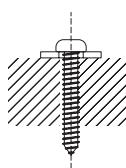

NO

The washer is bended because the screw is fastened too much.
La rondelle est déformée parce que la vis a été trop serrée.

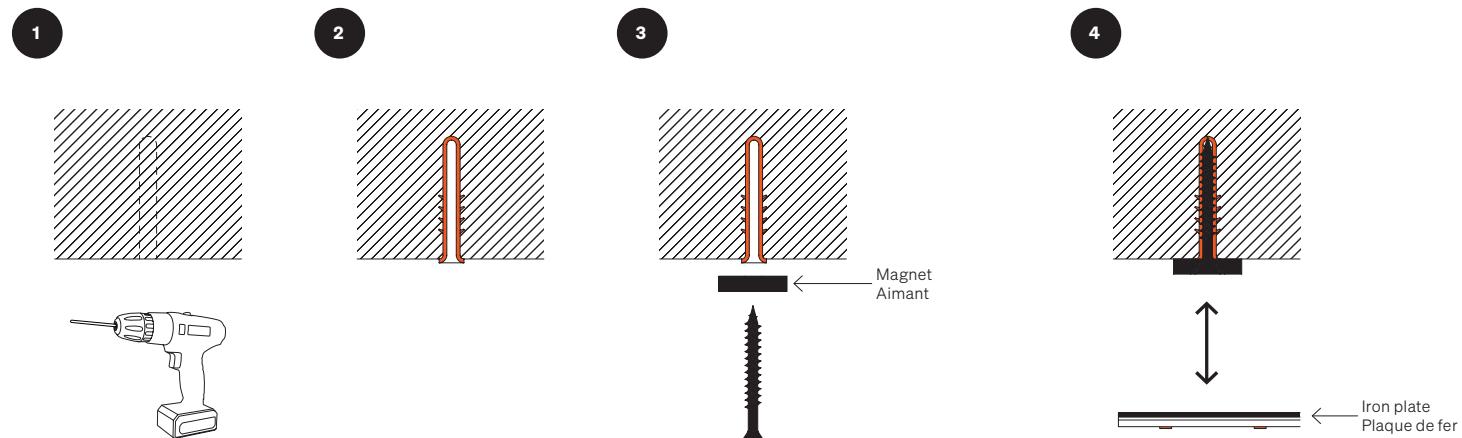

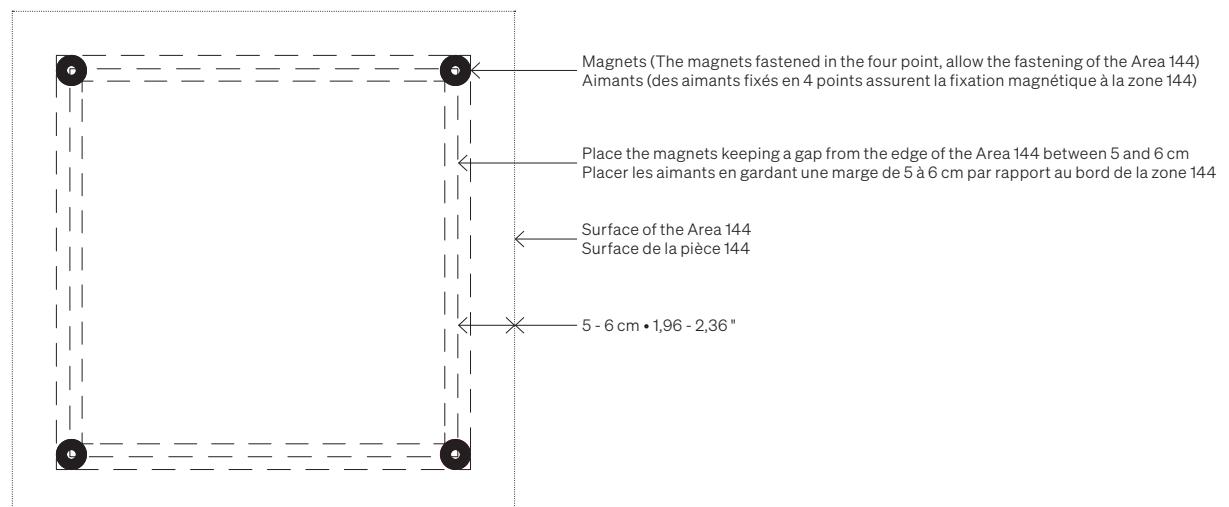

OK

The washer is straight and the screw is fastened.
La rondelle est droite et la vis est fixée.

Area 144 • With magnets/Avec aimants

Installation instruction Instructions de montage

Percez les trous pour les chevilles.
Do the holes for the wall plugs.

Insérer les chevilles.
Place the wall pugs.

Fixer les aimants.
Fasten the magnets.

Appliquer la zone 144 sur les aimants.
Attach the Area 144 to the magnets.

The Area 144 has only to be put in place, the iron plate on the back allowed it to be fastened.
La zone 144 est simplement placée près des aimants, la plaque de fer qui se trouve derrière lui lui permettra de se fixer.
